

May has been a busy month with Mother's Day, graduations and the weather allowing more outdoor activities. As seniors, we likely have more freedom to travel and participate in these celebrations with family and friends, more than we could years ago. I hope you were able to bring back lasting memories from these celebrations!

Because of the weather and celebrations of May, attendance at our senior adult activities suffered. Attendance at both the Gathering and movie was significantly down. Registration for our Mystery Trip in June is slow. It is likely the time of year, but if we are not offering things of interest to you, please let us know. Remember, the June Gathering is moved back one week due to Vacation Bible Camp at FUMCR. The Gathering will be on June 18th rather than the normal second Monday of the month. I hope to see you there!

Please take a look at the activities offered during the summer, with theater, movies, and the Gathering. We also have some fantastic events planned for the fall, so stay tuned. This is YOUR program and we want to provide activities that you want. We appreciate your feedback.

For those of you who may still be in the 'boomer' age range, they are planning a sailing event at White Rock Lake June 23rd and attending the Pocket Sandwich Theater September 8th. If these sounds like fun, watch for details in the church publications or via email.

Many of you have planned vacations.....whatever you plan to do this summer.....have a great time!

In Christ,

Dan L. Flanagan
