# Face Mask Sewing Instructions

## 1.) Sew Front Seam

A.) Lay two halves of masks right sides together, lining up edges

B.) Using  $\frac{1}{4}$ " seam allowance, stitch together along front edge

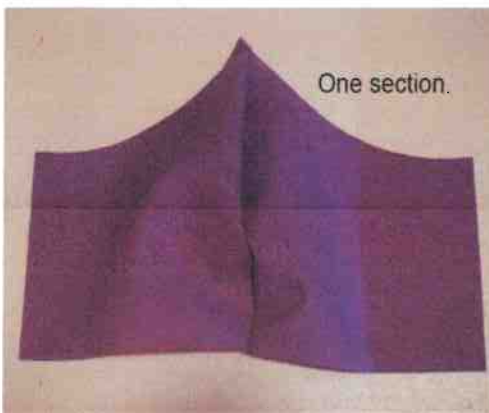

C.) Continue to sew two half sections together (chain piecing), rather than sewing one mask to completion

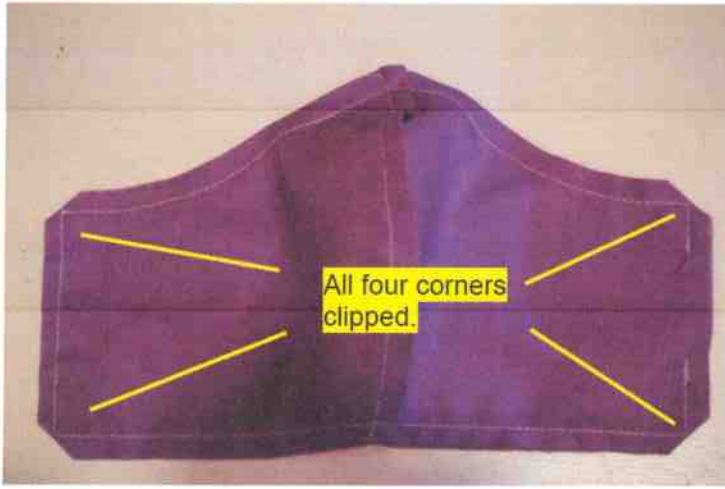

## 2.) Sew Mask Perimeter

A.) Place two sections together, right sides facing in edges and seams aligned

B.) Sew around the perimeter with  $\frac{1}{4}$ " seam, beginning at side seam, ending at same side seam, but leaving opening to turn right side out

### 3.) Clip Corners, then Turn Right Side Out

### 4.) Sew on Ties

A.) Place center of tie at vertical center of mask side seam

B.) Stitch a tie to each side of mask
