

*Funeral & Memorial Service
Planning Resource*

*F*UMCR clergy have the sacred privilege of journeying with families to design an appropriate celebration and remembrance for their deceased loved one. In these experiences we have seen how important and significant it is for families to communicate with their loved one prior to death about desires for a funeral or memorial service. This makes planning easier, and it helps focus efforts for how their loved one wants things to be.

We have prepared this resource to be used when a loved one is facing death, as well as to assist in making plans regarding desires for your own service. In this Funeral and Memorial Service Planning Resource, we have included the essentials and given you the information needed to make plans. If there are questions or issues that come up, which we have not included, please feel free to call upon us to assist you. We will be glad to help.

No one wants to think that they will die. It is a subject that we would rather not talk about, yet we all know that none of us will escape death. This is why families are so appreciative when a loved one has taken the time to make plans for their funeral or memorial service. Families realize what an act of love those plans represent. In putting together this resource for funeral and memorial planning we are encouraging you to perform an act of love for your family. It will not be easy, but true love never is.

Love always calls for the best from us.

Grace and Peace,

Caring Ministry

First United Methodist Church Richardson

A PLACE TO BEGIN

Prior to Death

Our ministers consider it a sacred privilege to visit and pray with you during this difficult time. If time and circumstances allow, please call the church office (972.235.8385) to notify us of your situation. One of our ministers will make every effort to come and pray with you and your family.

In the event that you call after office hours, your information will be directed to the “minister on call” by our answering service. A minister will be in touch with you as soon as possible.

When Death Occurs

When your loved one dies, please call the church office. If possible, one of our ministers will come and be with you. If this occurs after office hours, your call will be directed to the minister on call by the answering service. The minister will call you back as soon as possible.

Setting the Date and Time for your Service

Our ministers are honored to help you plan a meaningful service to celebrate the life of your loved one. One of our pastors will coordinate the service; please visit with him or her **prior to scheduling the service**, even if the service will be held at a funeral home or graveside. If there is a particular clergy person you would like to share in the service, please make these wishes known.

There are three areas where services may be held at the church:

Chapel (seats up to 100)

Sanctuary (accommodates a service for 25 - 1,300)

Worship & Arts Center (seats up to 425)

Due to the on-going worship service schedule of the church, funerals and memorial services* will not be held on Sundays. In addition, the church typically does not perform services during specific holiday weekends, church events or on Saturdays. The minister will review the availability of our facilities, support team, and his or her calendar in order to set the service at a time that is convenient for all.

**Memorial Service: Casket is not present. Funeral Service: Casket is present.*

Planning the Service with Our Pastors

The minister leading the service will want to meet with the family members at the church or at your home to coordinate the service. This is a time to share stories and favorite memories of your loved one. Family members will find this to be a helpful time as well as a source of comfort.

Your loved one may have left instructions about the service. Please share these instructions with the pastor at this time; we will make every effort to ensure their wishes are met. In this resource, you will find a list of hymns and scripture suggestions. This will be helpful to you prior to meeting with the minister.

Your family may choose to have a representative give words of remembrance. While this may be a difficult task, often family participation can serve as part of the healing process.

Music & Media

When a loved one dies, people often find themselves at a loss for words. Music can unveil a dimension of meaning and feeling that words alone cannot. It is natural that the church involves music during the service designed to remember and celebrate the life of your loved one. The Chapel and Sanctuary have an organ and grand piano. An acoustic upright piano or electronic keyboard are available in the Worship & Arts Center. A musician for the organ or piano will be available for the service.

All music selections should give glory to God and witness to our hope in Jesus Christ. Music and video for the funeral must reflect this understanding of ultimate hope. Hymns can also be used as solos. Any video or multi-media presentation should be limited to four minutes or less and must be received, previewed, and approved by the officiating pastor twenty-four hours before the service.

Expenses

There is a fee for Funeral/Memorial services held at First United Methodist Church Richardson. The clergy planning the service with you will provide a card with those charges and an explanation of how they can be paid. The fee covers building usage, bulletins and an organist. If a soloist is desired there is a separate charge.

An honorarium for the clergy is left to the discretion of the family.

Flowers & Memorial Gifts

The family may wish to provide flowers for the altar. Delivery should be at least 90 minutes prior to the service. In lieu of flowers, families may wish to offer donations to the church in memory of their loved one. Please mention this to the pastor prior to the service.

Columbarium

If you choose cremation, FUMCR offers a beautiful resting place for the interment of ashes. The Columbarium is located in a garden area north of the sanctuary. The site is a place of dignity and beauty where family and friends can visit and meditate at any time. The Columbarium can be used by church members (past or present) and members of the immediate families. For specific information, please contact the Caring Ministry Associate (972.996.0146).

Care for Grieving Families on the Day of Service

FUMCR wishes to be of assistance to our members during this time. We offer a reception following the service to include cookies and cold and hot beverages. Servers are provided by the Caring Ministry. The family may provide additional trays of food, if prior arrangements are made.
